

CELEBRATE EARTH DAY

HELP PLANT 800 NATIVE TREES AND SHRUBS & PROTECT SILVER BOW CREEK

Planting trees helps protect Silver Bow Creek and aquatic life. Restoration programs on the Butte Hill provide native species diversification and help slow storm water flows and prevent the transport of mine wastes to Silver Bow Creek.

WHO: Families, Friends, Kids & Individuals

WHERE: Missoula Ball Fields on Missoula Ave.

WHEN: Saturday, April 22, 2017 at 1:00 pm.

BRING: Shovel & gloves

Weather appropriate clothes

Closed-toe shoes only (no sandals)

Water and Refreshments provided

For More Information Call
